

Series 1 Classroom Kit: Prices for Schools

Money Nobody Taught You · 15 read-aloud books, one money rule each · by Paul Blankenburg, a former oilfield instructor and frac mechanic in Fort Worth

To the principal, from Paul

Thank you for being the first school in Texas to bring Money Nobody Taught You to your students. Your founding price is my thank-you for that trust. If your teachers see good results, I'd be grateful if you'd share them with other principals and your district.

The kit: a read-aloud teacher guide for all 15 books (stopping points, voices, talk questions, “guess the trick” moments), a printable student workbook with Spot it and Try it pages for every book, a one-page parent letter, and a classroom license.

Free one-class trial. The full kit for one class, one time per school: Books 1–5, teacher guide, student workbook, before-and-after quiz and Class Scorer. No card, no auto-renew.

After the trial

What	Price
Classroom Kit	\$49 per classroom, flat. Every school gets its first classroom free (one time, one class). No cap.
Whole-school license	\$399 a year: every classroom at your school, unlimited worksheet printing. No auto-renew.
Which is cheaper?	Whole-school is cheaper at 9 or more paid classrooms ($8 \times \$49 = \392 , under \$399; $9 \times \$49 = \441).
Paperbacks (optional)	\$24.99 per paperback · \$349 per full 15-book series set (per set, not per student; your school picks how many)

Founding 25: the first 25 schools lock prices for 3 years: \$49 per classroom and \$399/yr whole-school. No auto-renew. **Payment:** by card, through secure checkout.

No card for the trial. No auto-renew. No hidden fees. Prices are reviewed once a year for inflation.

Just for your school: Because you're the first school to try it, your school also gets a thank-you discount just for you: 25% off licenses and 5% off paperbacks and series sets, on top of the Founding 25 price lock.

What you're agreeing to

- **Free one-class trial:** no card, nothing to sign, no obligation. It never turns into a paid plan by itself.
- **No auto-renew.** Nothing renews by itself. Each year your school chooses whether to continue.
- **You pay only for what you order.** No hidden fees.
- **The license covers one classroom at one school.** Each extra classroom needs its own kit.
- **Your data, your choice:** we don't collect student or school data. Sharing results, reviews or quotes is always your school's choice, and only with your permission.
